## Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

### Youth Olympic Competition Format

The Youth Olympic competition at the Summer Youth Olympic Games Buenos Aires 2018 consists of three events: men's singles, women's singles, and mixed international team. In all events there will be a maximum of 32 entries. The maximum number of athletes per NOC will be one man and one woman.

#### Men's/Women's Singles:

Matches are the best of seven games. Games are played to 11 points with at least two points difference.

Each singles event consists of the following stages:

- The preliminary stage is a pool format (eight groups of up to four players, each player in a group plays all other players in that group). The top two players from each group will qualify to the knock out stage and the remaining player(s) are ranked as follows: The 8 players placed 3<sup>rd</sup> in each group are ranked 17<sup>th</sup> and the 8 players placed 4<sup>th</sup> in each group are ranked 25<sup>th</sup>. The players gain 2 match points for a win, 1 for a loss in a completed match and 0 for a loss in an unplayed or unfinished match, i.e. in case of disqualification (DSQ) or walkover (W/O).
- The knock out stage is a direct elimination format, and consists of: Rounds of 16, quarterfinals, semifinals and final.  
The finals (bronze and gold medal matches) decide ranks 1 to 4. The four quarterfinals losers are ranked 5<sup>th</sup>, and the eight round of 16 losers are ranked 9<sup>th</sup>.

#### Mixed International Team:

Each team match consists of three matches. The first match is a singles match between the women. The second match is a singles match between the men. After a five minute break, the third match is a mixed doubles match. Each match consists of the best out of five games to at least eleven points, in which the winner must win by at least two points. Teams gain 2 match points for a win, 1 for a loss in a completed match and 0 for a loss in an unplayed or unfinished match, i.e. in case of disqualification (DSQ) or walkover (W/O);

- The preliminary stage is a pool format (eight groups of up to four teams, each team in a group plays all other teams in that group). The top two teams from each group qualify to the knock out stage and the remaining team(s) are ranked as follows: The 8 teams placed 3<sup>rd</sup> on each group are ranked 17<sup>th</sup> and the 8 teams placed 4<sup>th</sup> in each group are ranked 25<sup>th</sup>. All three matches of each team match shall be played.
- The knock out stage is a direct elimination format, and consists of round of 16, quarterfinals, semifinals and finals. Matches finish as soon as one team wins two matches.  
The finals (bronze and gold medal matches) decide ranks 1 to 4. The four quarterfinals losers are ranked 5<sup>th</sup>, and the eight round of 16 losers are ranked 9<sup>th</sup>.

### Differences between the ITTF World Junior Championships and the Summer Youth Olympic Games

There is no Mixed International Team event in the ITTF World Junior Championships however the ITTF full program of men's teams, women's teams, men's singles, women's singles, men's doubles, women's doubles and mixed doubles is played.

### Changes since the Summer Youth Olympic Games Nanjing 2014

The overall competition format has not changed since Nanjing, however there have been few changes:

- The consolation draw has been removed from all events
- All singles matches are now the best of seven games

### Sport Rules and Procedures

#### Scoring points

Unless the rally is a let, a player scores a point:

- If an opponent fails to make a correct service
- If an opponent fails to make a correct return

- If, after he or she has made a service or a return, the ball touches anything other than the net assembly before being struck by an opponent
- If the ball passes over his or her court or beyond his or her end line without touching his or her court, after being struck by an opponent
- if the ball, after being struck by an opponent, passes through the net or between the net and the net post or between the net and playing surface;
- If an opponent obstructs the ball
- If an opponent deliberately strikes the ball twice in succession
- If an opponent strikes the ball with a side of the racket blade whose surface does not comply with the requirements
- If an opponent, or anything an opponent wears or carries, moves the playing surface
- If an opponent, or anything an opponent wears or carries, touches the net assembly
- If an opponent's free hand touches the playing surface
- If a doubles opponent strikes the ball out of the sequence established by the first server and first receiver
- As provided under the expedite system

### **The service**

The service starts with the ball resting freely on the open palm of the server's stationary free hand. The server then projects the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck. As the ball is falling the server strikes it so that it touches first his court and then touches directly the receiver's court; in doubles, the ball touches successively the right half court of server and receiver. From the start of service until it is struck, the ball should be above the level of the playing surface and behind the server's end line, and it should not be hidden from the receiver by the server, or his doubles partner, or by anything that they wear or carry. As soon as the ball has been projected, the server's free arm and hand should be removed from the space between the ball and the net. The space between the ball and the net is defined by the ball, the net and its indefinite upward extension.

### **The return**

A player must strike the ball (after a service or return) so that it touches the opponent's court - either directly or after touching the net assembly.

### **The expedite system**

The expedite system is introduced if a game has not finished after 10 minutes of play (or at any earlier time at the request of both players or pairs). This system cannot be used if at least 18 points have been scored.

If the 10 minute time period elapses while the ball is still in play, the umpire interrupts play by calling "time". The match resumes with service going to the player who was serving when the rally was interrupted. Otherwise, if at the lapse of 10 minutes the ball is not in play, play shall resume with service by the player who received in the preceding rally.

Under the expedite system, each player serves for 1 point alternately until the end of game. If the receiving player, or pair, makes 13 returns, the receiver scores one point. Once introduced, the expedite system remains in operation until the end of the match.

### **Tie Break Rules**

The players/teams within a group are ranked according to the number of ranking points (two ranking points for a win, one ranking point for a loss in a played match and zero ranking points for a loss in an unplayed or unfinished match). If two or more players/teams are tied with the same number of ranking points, the ties are broken as follows:

1. Results of the match(es)/team match(es) played among the tied players/teams:

- Ranking points
- Match ratio
- Game ratio
- Points ratio

2. If still tied, results of all the matches/team matches played:

- Match ratio
- Game ratio
- Points ratio

3. If still tied, the ties will be broken by a draw.

Match ratio is the total number of matches won by the player/team divided by the total number of matches won by the opponent in the matches/team matches that are being considered.

Game ratio is the total number of games won by the player/team divided by the total number of games won by the opponent in the matches/team matches that are being considered.

Point ratio is the total number of game points won by the player/team divided by the total number of game points won by opponents in the matches/team matches that are being considered.

### **Penalties / Disqualification Rules**

The referee has the power to disqualify a player or a team from a match, an event or a competition for serious, unfair or offensive behaviour.

### **Protests / Appeals**

Appeals will be decided in accordance with the ITTF Regulations for International Competitions.
